

**ORANGE LIBRARY ASSOCIATION
EXECUTIVE MEETING
DECEMBER 1, 2004**

Attendance:

Florence Brady, Rosemary Cooper, Claudia Depkin, Suzanne Skeels

There was a discussion of Pauline Kehoe's request that libraries who received the Community Service Grant from Howard Mills, consider giving that money back to RCLS to help with their budget short fall. Libraries are also encouraged to write to their legislator concerning how libraries are funded.

Randy Enos has asked OLA for support for the Fall into Books Conference. CLOUSC is a well-organized group, which has been in existence for many years. It was felt that CLOUSC should consider fund raising.

OLA needs to infuse life into its own organization with additional programs.

A nominating committee is needed for the following officers: President, Secretary and Treasurer.

501(c) 3 application has been accepted and we now have a number. Final approval to come.

OLA will purchase a gift for Carmela Chase in honor of her retirement. Two hundred dollars will be spent.
